Warranty

Ten Years from Date of Shipment

Belair Office Products Inc. warrants the original purchaser against any form of failure or defect in construction or component. Warranty covers standard items, not custom products. Defect shall be defined as any malfunction which inhibits the performance of the furniture as specified. Failure shall be defined as any component which becomes inoperative during normal and reasonable use, as specified. Clear signs of abuse, such as impact damage, prolonged and direct exposure or submersion to fluids or flame will void this warranty entirely. Belair Office Products Inc. accepts responsibility which extends only to the replacement of the furniture component. It is the purchasers responsibility to pay for transportation and/or installation costs.
